**C. Consideration of Adoption of Resolution No. 2020-05 Setting the Tax Rate for Fiscal Year 2020-2021.** A staff report, a draft copy of Resolution No. 2020-05, and related materials were included in the agenda packet. General Manager Eckhart noted that this item was also discussed at the F&B workshop on July 27<sup>th</sup>. He stated that Debt Service Fund Budget for FY 2020-21 PowerPoint presentation was reviewed at the workshop and that staff outlined in detail the long-term investments in supply as well as anticipated projected expenses. The Agency will be investing in financial forecasting tools that will assist staff in the future with providing the Board with accurate projections. The Board had requested a comparison of the difference between 17.75 cents (current rate) per \$100 valuation, vs. 17.50 cents per \$100 valuation; the difference equates to about \$9.00 annually, per home. There are a large number of uncertainties related to extending the SWP contract, maintaining aging Project infrastructure and funding construction to alleviate problems associated with subsidence in the San Joaquin Valley, in addition to the future balloon payments on EBX bonds, as well as participation in the Delta Conveyance & Sites Reservoir Project. Staff is recommending holding the rate at 17.75, due to the projected expenses. After discussion, Director Thompson made a motion, seconded by Director Castaldo, to adopt Resolution No. 2020-05 setting a tax rate at 17.50 cents for Fiscal Year 2020-2021.
