A NEED FOR
ENGINEERING SERVICES

NEXT STEPS

Discussion Topics

UPCOMING PROJECTS

**A NEED FOR
ENGINEERING SERVICES**

NEXT STEPS

The Agency is going through a CIP phase and has multiple projects planned over the coming years

County Line Rd Recharge Project

Brookside West Recharge Expansion

Danny Thomas Ranch Recharge

Backbone Pipeline

Additional Maintenance Projects

Discussion Topics

UPCOMING PROJECTS

A NEED FOR
ENGINEERING SERVICES

NEXT STEPS

To assist in capital improvement projects

To assist with maintenance projects

To provide technical assistance to Agency staff as needed

There is a need for additional engineering services to accomplish short and long-term goals

Services that the Agency would expect the on-call engineering Firm to perform and assist staff with would include but not be limited to...

Planning and Design

Bid and Spec Development/Review

Project Management

Construction Management

Inspection Services

Surveying Services

Permit Acquisition

Environmental Support

Discussion Topics

UPCOMING PROJECTS

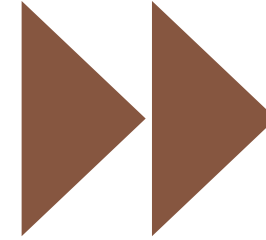

A NEED FOR
ENGINEERING SERVICES

NEXT STEPS

Completing the RFP

Bringing the RFP to the Board
for authorization
