

San Gorgonio Pass Water Agency  
Budget Highlights

March 2025

**Overall Summary**

All expense categories are within budget with one exception. All income categories are under budget, but are following normal trends for this time period.

**General Fund (Green Bucket)**

**Income**

Tax revenue is a bit under budget, but this is the normal trend for March. The rest of the annual revenue will be realized in May and June. Current receipts are about 10% more than last fiscal year.

**Expenses**

These categories were previously mentioned:

- Computer, Website and Phone Support
- Insurance and Bonds
- Dues and Assessments

Building maintenance is slightly over budget, but expected to be on budget at year end. Yucaipa GSA Support that was planned for the next two fiscal years was actually completed sooner than expected, so has caused this line item to be over budget for this fiscal year.

Legal Services continues to be over budget. On-going requirements for easements, Sites Reservoir agreements, CEQA updates, Board policies, and potential water transfer agreements have added to the usual legal counsel expenses.

**Consigned – SWP Support Fund (Orange Bucket)**

No changes. Additional tax revenue is expected in May and June.

**Debt Service Fund (Red Bucket)**

**Income**

As mentioned under the General Fund, tax revenue is a bit under budget, but will meet year-end projections by June.

**Expenses**

Overall expenses for the Debt Service Fund are within budget. State Water Contract Payments are over budget due to the \$4 million payment made to DWR in March.

**Gap Funding Program**

South Mesa Water Company is using some of its grant repayments to fund additional construction costs, so have not asked for additional Gap Funding disbursements. Banning Heights has requested funds and is moving ahead with its projects.
