## **6. Reports**

### **A. General Manager's Report**

General Manager, Lance Eckhart reported on the following:

1. Update on Governor Newsom's May revision proposal including a trailer bill to expedite the Delta Conveyance Project (DCP). Key highlights covered cost escalations, legal streamlining, revenue bond authority, and community benefits funding.
2. Glenn Farrel, Agency's legislative consultant, has already begun advocacy efforts with Senator Ochoa Bogh and Assemblymember Greg Wallis.

### **B. Legal Counsel's Report**

Counsel Stewart had no report.

## **7. Informational Presentations and Updates:**

### **A. Water Conditions Report**

Operations Manager Matt Howard provided current hydrology updates including 109% of average precipitation in the Northern Sierra, nearly full reservoir conditions, and a 50% SWP allocation. April deliveries were just under 2,000 AF; May deliveries projected at 1,500 AF due to recharge facility maintenance. Collaboration with Beaumont-Cherry Valley Water District is improving recharge performance.

### **B. Small Water Systems Assistance Program Update**

Operations Manager Matt Howard reported on the partnership with California Rural Water Association, ongoing technical compliance assistance, and progress on grant applications. Cabazon, High Valleys, Cherry Valley Mutual and others are actively working with the program. Notable grants include \$16 million for Cabazon and \$3.5 million previously awarded to Banning Heights. Legal Counsel affirmed the Agency's authority to support these programs. Director Walton requested further clarification for public understanding, and GM Eckhart committed to tying legal justifications to future Agency Act workshops.

## **8. New Business – Discussion and Possible Action:**

- A. Authorize the General Manager to Execute a Professional Services Agreement with Land Engineering Consultants, Inc. for Construction

Management Services In Connection with the County Line Road Recharge Basin and Turnout Project for a not-to-exceed amount of \$369,500

Senior Water Resources Planner Emmett Campbell presented the proposal for construction management services related to the County Line Road Recharge Basin and Turnout Project, not to exceed \$369,500. LEC was recommended due to value-added services and cost structure. Public comment from Ms. Joyce McIntyre inquired about intersection closures; staff confirmed no immediate closures.

On a motion by President Valdivia, seconded by Secretary Walton, the board approved and authorized the General Manager to execute a Professional Services Agreement with Land Engineering Consultants, Inc., for Construction Management Services in Connection with the County Line Road Recharge Basin and Turnout Project for a not-to-exceed amount of \$369,500.

Approved by the following roll call vote:

Ayes: Smith, Walton, Ybarra, Ball, Valdivia

Noes: None

Absent: Letulle, Wargo

**Motion passed 5-0.**
