

San Geronio Pass Water Agency
Budget Highlights

July 2025

New for FY 2025-26

The budget report remains basically the same, but with changes to column 5, ‘Over/Under Budget.’

The title for the budget comparison has been changed to ‘% of Budget Year’ rather than ‘Remaining.’ Underneath that, a new box reads ‘Over budget/**Under budget**’ and this is repeated in each income and expense section and on a new page.

The column contents under the title box are designed to more quickly highlight the difference from the month’s budget percentage. The monthly budget amount is evenly divided over the year, so the comparison is to the listed budget percentage, which represents the percentage of the year. For income, the number will become **red** for a difference that is less than the percentage of the current month, which means that income is lower than expected according to the monthly budget. The income percentage will be black if income is greater than expected for the monthly budget.

For expenses, the number will become **red** for a difference that is greater than the percentage of the current month, which means that expenses are greater than expected according to the monthly budget, and will remain black for expenses that are less than the monthly budget.

The color of the Expense items that are red that have been identified in the monthly highlights report will be changed, especially if they represent one-time payments, or have uneven payment cycles.

General Fund (Green Bucket)

Income

All income (other than interest) this month was attributable to the previous fiscal year. There were deposits recorded in the monthly deposit report, but all were receivables for FY 2024-25. Interest is off to a good start.

Expenses

A number of items are showing red numbers this month:

Payroll Services has greater expenses because the administration fee for the Public Agency Retirement Service (PARS), the additional retirement plan, was paid for the entire year, rather than on a monthly basis.

Additionally, Retirement, Health Insurance, ACWA Benefits, and Dues and Assessments all have heavier expenses in the first month of the fiscal year than the rest of the year.

Office Expense had greater expenditures due to the purchase of supplies during Prime Days that will last the entire year. The Agency saved 50% of the cost of these supplies as a result.

Finally, LAFCO Cost Share was not only significantly more than last fiscal year, but also greater than the projected budget by about 9%.

Consigned – SWP Support Fund (Orange Bucket)

Income

As mentioned in the General Fund, interest exceeded expectations this month.

Debt Service Fund (Red Bucket)

Income

Interest was the only income received this month for the Debt Service Fund. Tax revenue for FY 2025-26 will not be received until around October or November.

Expenses

The Benefits line item tracks similarly to General Fund Health and ACWA Benefits, so experienced a greater impact in the first month of the fiscal year. It will even out as the year progresses.

State Water Contract Dues have been paid in full, and are less than projected, but more than the monthly budget, so showed in red this month.

Funding Programs

Gap Funding Expenses

The Agency issued funds to Banning Heights Mutual Water Company in July. Because this was about 35% of the yearly amount, the monthly budget number turned red.

Heli-Hydrant Funding

This page has been modified to track Heli-Hydrant Funding as well as Gap Funding. No funds were expended this month.
