

San Geronio Pass Water Agency
Budget Highlights

November 2025

Overall FY 2025-26

The first tax revenue was received in October, but nothing was received in November, so a bit of a false start. Expect more in December. Interest continues to exceed expectations, although the recent Fed decision to lower their rates by 25 basis points will eventually affect this line item. Expenses by category are all well within budget.

General Fund (Green Bucket)

Income

Water sales always lags by two months compared to actual deliveries, and grant revenue will come in chunks. Otherwise, General Fund revenue is being received as expected.

Expenses

As mentioned above, all expense categories for the General Fund are well within budget. Within categories, there are some line items worth noting.

Previously mentioned:

- Payroll Services
- Dues and Assessments
- Office Expense
- LAFCO Cost Share
- Accounting and Auditing
- SAWPA Regional Projects
- Dues – ACWA dues were paid

For the month of November, Legal Services is slightly over budget. Sponsorships, which was slightly over budget last month, is back in budget this month.

Retirement is over budget this month due to an extra payment made toward the Unfunded Accrued Liability. More information will be presented to the full Board in the future.

As mentioned last month, in the New Property line item, the property at 1216 Beaumont Ave was purchased. This was not previously budgeted for strategic reasons, so this budget item is over budget. A budget revision will be proposed at the mid-year review.

Consigned – SWP Support Fund (Orange Bucket)

No changes.

Debt Service Fund (Red Bucket)

Income

As mentioned in the General Fund section, tax revenue was not received in November, but expected in December. Interest continues to exceed expectations for the Debt Service Fund.

Expenses

Previously mentioned:

- State Water Contract Dues
- State Water Contract Payments

Purchased water is back in budget this month. An invoice for water treatment expenses for the 3rd quarter of 2025 was received from San Bernardino Valley Municipal Water District, which edges this line item slightly over-budget. Due to the large EBX payment made in September, the Debt Service Fund as a whole looks like it is slightly over-budget, but this will resolve itself as the fiscal year progresses.

Funding Programs

Gap Funding Expenses

Gap Funding Income

There was no income or nor expenses for these categories in November.
